DETAILS

5. At the request of the contracting Agency, each garment can be requested to have Government Specified Permanent wrinkle resistance, as offered in the Mar Pat Utility Uniforms. This procedure, will be priced separately, and used at agency discretion, as budget allows. This process must be using Government Specified chemicals, and baking process. Pre-treated fabrics will not be acceptable.

6. At request of using agency, a separate Badge tab, must be attached to left chest, of self-goods. Inside sling type of self goods approximately 1" wide to extend from joining seam to pocket of left front. To have two small, uncut buttonholes 1-1/2" apart with the lower buttonhole approximately 1" above the flap.

7. At request of using agency, a separate Nameplate tab, must be attached to right chest, of self-goods. There shall be an inside reinforced name plate tab placed approximately 1/8" above the right pocket flap. It shall measure approximately 2-1/4" long by 3/8" wide with two sewn eyelets spaced 1-3/4" apart center to center.

8. At the request of any agency, a State of South Carolina or other approved emblem, supplied to the manufacturer, will be sewn on each sleeve 1/2" below each shoulder seam. This procedure, will be priced separately, and used at agency discretion, as budget allows.

9. The successful vendor must be able to package trousers and/or shirts by Employee/Region/Section at the request of the using agency. That is, all items intended for a certain Region/Section will be packaged in separate boxes from items for other Regions or Sections. The quantity and contents are to be marked on the outside of each box. Each employee is to receive the quantity of trousers and/or shirts, specified by the using agency. Each employee's package of garments will be bagged together with the individual's name on the outside of the package (labels to be supplied by requesting agency). The using agency will supply the vendor with each officer's name by Region/Section for packing purposes. Using agencies wishing to have their orders packed in this manner will supply the vendor with a Region, Section, and Officer break-down for packing purposes with each order. This procedure will be priced separately, and used at agency discretion, as budget allows.
